**Q1-Q3 Three bullets from FAZIO**

**Specimen received 6/11/74 under cover of letter dated 6/7/74**  
**(PC-K8228 GY):**

**K2 Two test bullets from a .38 Special Colt revolver**  
**Serial Number 624825**

**Result of examination:**

The K2 test bullets do not bear enough microscopic marks for identification purposes with the Q1 through Q3 resubmitted bullets. Furthermore, (as the Milwaukee Police Department was advised in a Laboratory report dated November 6, 1972) it is doubtful that it would be possible to associate the Q1 through Q3 bullets with the gun or guns from which they were fired. Therefore, whether Q1 through Q3 were fired by K2 could not be determined.

Specimens Q1 through Q3 and K2 are being returned to you under separate cover by registered mail.

b6

[redacted] stated that he knew LOUIS FAZIO for many years, that FAZIO was one of his closest friends, in fact he considered him as close as a brother. [redacted] stated that several years ago when he was tried in Milwaukee on a Federal charge, FAZIO attended each session of court.

b6  
b7C

[redacted] stated that he is well acquainted with [redacted] of Milwaukee, Wisconsin, having known them for several years when [redacted] resided in the Milwaukee area.

[redacted] stated that he was physically present during a violent argument between LOUIS FAZIO and [redacted] some time prior to the slaying of FAZIO.

[redacted] stated that [redacted] and others from the Milwaukee area, subsequent to the slaying of FAZIO, came to Las Vegas on a junket and stayed at the Tropicana Hotel. He denied that they specifically came to Las Vegas to confer with him but did admit that he met and talked with [redacted] and others on that trip.

b6  
b7C

[redacted] stated that he did not know who was guilty of the murder of FAZIO but stated that if he did know he would decline to furnish this information. He was reminded of the statement previously made that he considered FAZIO as close as a brother and was asked how he could equate this statement with his refusal to furnish any information he might possess as to who murdered FAZIO. [redacted] merely shrugged and stated that if he had knowledge concerning this he would "handle it in my own way."

SUBJECT: BELLWETHER;  
MURDER OF LOUIS FAZIO

On 9/26/72, Louis Martin Fazio was fatally shot with a .38 caliber weapon in an alley behind his home at 2805 N. Humboldt Avenue. Fazio had been a long-time associate of Milwaukee mobsters, including Frank Balistrieri, whom, according to a confidential source in 1965, was "grooming" Louis for membership into the LCN. However, in the mid-1960's, informant information indicated that many of the elder LCN members were extremely dissatisfied with the leadership of Frank Balistrieri and his undemocratic way of making decisions. In June, 1966, a Milwaukee source indicated that

During this same time period, Louie Fazio apparently became very well respected by the Milwaukee LCN figures, as well as those in Chicago and other parts of the United States. Louie Fazio was apparently very close to Sam D. E. Stafano, a Chicago LCN figure, who had served time in the Wisconsin State Prison at Waupun with Fazio during the 1930's. D. Stafano was himself murdered in 1973.

Subject : ORGANIZED CRIME INFORMATION SYSTEM (OCIS)

During writer's attendance at the OCIS Analytics Training In-Service held 2/1-5/82, Bureau Supervisor [redacted] advised that the Murder Form was not being used by OCIS Offices, to enter murder victims of OC hits. [redacted] requested that victims of such hits should be entered into OCIS by each office having such activity. In order to implement such entries, the writer reviewed the files of the following individuals, who have been the victims of OC hits within the Milwaukee Division, since 1960, and they are listed as follows, along with the file number where background information can be obtained for inclusion in OCIS:

ISADORE POGROB (Killed 1/6-7/60), MI 92-1676

ANTHONY JOSEPH BIERNAT, (Killed 1/8-28/63), MI 70-1587

LOUIS MARTIN FAZIO, (Killed 9/26/72), MI 92-303

AUGUST S. MANIACI, (Killed 9/11/75), MI 183-80

AUGUST S. PALMISANO, (Killed 6/30/78), MI 183-149

It is therefore recommended that the above individuals be entered into OCIS, as victims of gangland slayings within the Milwaukee Division.
